

(MAN'S CAPACITY FOR GOD) IN BRIEF 1. Questions and Answers

Para 44- What is the relationship between fullness in this life and being religious?

God created us to be religious and we miss out if we deny it.

Para 45- Self -help programs without God are popular today. In what way do they always fall short of bringing happiness?

God designed us to be reliant upon him. Communion with him brings happiness.

Para 46- Where can we find the cause and end of everything and what did God give to us to know and love him and creation?

God gave us himself, a clear and clean conscience and also our senses to appreciate his creation.

Para 47- Briefly, what does the Church say God has given us in order to know and love him?

The Church tells us that God has given us faith, his handiwork and reason.

Para 48- How can we begin to know God's name and his perfections?

We can begin to know God's name through his creation. (See Roms 1)

Para 49- Why do we keep on believing God?

Because he never gives up on us and our lasting value is in him alone.

End of Chapter One: (MAN'S CAPACITY FOR GOD) - Summary Questions and Answers

Why can we arrive at the reality of the existence of God?

We can believe in the existence of God because God permitted it to be so.

What is the real nagging question about God beyond acceptance of his existence?

Is God good?
